

The Provost High School Summer Research Internship is a six-week program that begins in June and ends in August. This program is for high school students who are currently in 10th or 11th grade at the time of application, and are interested in science, engineering and lab research. During this six week period, students work on research projects with their assigned professor and undergraduate and graduate student mentors.

This is a very competitive program with a limited number of positions. Your application package will be reviewed by the selection committee. If selected, your application package will be forwarded to a professor to see if he/she would be interested in working with you.

2022 Program Date and Duration

This is a six-week internship program that begins June 27, 2022 and ends August 5, 2022.

NJIT's official summer hours are 9:00-4:00PM. Your daily start and end times may vary depending on your assigned professor.

REQUIRED FOR SELECTION and INTERNSHIP CREDIT: The student must commit themselves to attending every day of the program and for those hours during the entire six-week program. **No exceptions will be made for any reason.** Any student who appears to have difficulty adhering to the time commitment will be asked to leave the program.

Eligibility

- Applicants must be completing 10th or 11th grade in June 2022. Graduating high school seniors are not eligible.
- Applicants should have an unweighted GPA of 3.75 or better, and show a demonstrated interest in science.
- Students must be New Jersey high school students and residents of New Jersey.
- Students must be able to commute to NJIT daily (at their own expense) for the duration of the program.
- A parent or legal guardian must grant permission for the student to participate in the program.

2022 Program Highlighted Events

June 27: High School Orientation Day and Lab Safety Training (required)

July 28 - 29: NJIT Undergraduate Summer Research Symposium

August 5: High School Summer Research Internship Poster Symposium and Closing Event

Other events to be scheduled will include featured speakers on career opportunities as well as STEM focused topics.

Application Guidelines:

1. Application Form (*saved as YourLastName_application*)
2. Essay (*saved as YourLastName_essay*)
3. Official Transcript (mailed directly from the school)
4. Medical Form/Liability Waiver (*saved as YourLastName_waiver*)
5. One letter of recommendation from a science or math teacher (emailed directly from teacher)
6. Resume/List of Activities (*saved as YourLastName_resume*)
7. Internet Access Release Form (*saved as YourLastName_internet*)
8. Registration fee* of \$150 (payable to *NJIT*, with the student's name on the memo line). Credit cards are not accepted.

***This fee is used for program events. The check will be returned if the student is not selected into the program.**

All documents (and check) need to be received by April 25, 2022 for consideration. Scan/email your signed application forms to NJIT Provost High School Summer Research Internship mailbox at hssri@njit.edu. All requisite documents (excepting the check, transcript, and letter of recommendation which will be mailed in hard copy per the instructions above) should be included in one email.

Your check should be payable to NJIT, with the student's name on the memo line.

Mail to:

New Jersey Institute of Technology (NJIT)
Attn: Provost High School Summer Research Internship (HSSRI)
Office of Research - Fenster Hall
323 Martin Luther King Blvd.
Newark, NJ 07102

Students will be notified of selection status by May 17, 2022.
